TECHNICAL DATA

General				
Warranty	24 months	Recommended Instalation Heights	1.8m	
		Max. Mounting Height	2.5m	
Mounting		Light Mesurment	Mixed light	
Installation Type	Wall			
Installation Position	Wall	Number Of Channels Push Button Input	No	
Housing		Slave Input	No	
Dimension	L -117.2mm, H 51.5mm, W 80mm,			
Weight	120gm	Fully Automatic	Yes	
Protective Class	IP65	Semi Automatic	No	
Permissible ambient Temperature	$-30^0c...+50^0$	Switching Delay From "Dark To Light"	2.Sec	
Relative Humidity	5-93% non-condensing	Switching Delay From "Light To Dark"	2.Sec	
Color	White, similar to RAL 9010			
Connection	2.5mm/1.5mm	Control	OCT-iSense Enabled	
Electrical Version		Channel 1	Lighting	
Protection Class	II	Interface	Switching	
nominal Voltage	230V/50Hz	Contact	Non-floating	
Power Consumption	0.6W	Switching Capacity Swich-off Delay Time	230V, 400W Adjustable	
Sensor		Master/slave Function	No	
Detection Angle	180^0	Constant Lighting Control	No	
Detection Range Diagonally	180^0	Manual Override	No	
Detection Range Head-on	12m	Programmable	Yes	

SCALE DRAWING	FLELD OF DETECTION	DETECTION RANGE
	12m	Detection Angle 180° Detection Range 12m
