EXIT™

TOILET BOWL
CLEANER

Exit™, ready-to-use Toilet Bowl Cleaner specially formulated for quick and easy cleaning of toilet bowls. Removes tough stains while cleaning toilets. The Non-Ionic surfactant Surfactant and Hydrochloric acid in **Exit™** helps eliminate rust, lime, algae growth and uric acid deposits. **Exit™** can be frequently used to clean toilets and urinals. Safe on stainless steel. Clings superbly to the vertical surfaces for extended contact and excellent penetration. **Exit™** removes scale and rust build-ups while protecting porcelain, leaving the toilet bowl sparkling bright.

Composition :

10.5 % w/v Hydrochloric Acid

Non Ionic Surfactant (Fatty Amine Ethoxylate Alkyl Phenol Ethoxylate)

Perfume

Acid Blue 80 (CI No. 61585) as colour

Directions for Use:

Unscrew the cap to open.

Pour sufficient liquid around the bowl under the rim.

Leave for 20 minutes, Brush then Flush and see the toilet brighten.

Pack Size :

1000mL ;5000mL

Exit™ can be used for Indian style toilets in the same way as directed above.

Exit™ is used for all types of toilet bowls and urinals and does not harm the septic tanks.
